

Commissioned Officers Association of the U.S. Public Health Service

Lisa Tonrey, MHA, RPh, PhC, FAPhA CAPT (ret.), USPHS Retiree Representative Lisa Tonrey possesses a forty-year leadership career dedicated to improving the health of underserved and vulnerable populations. She served a 22-year active duty career as a Commissioned Officer of the U.S. Public Health Service as a clinical pharmacist, health administrator, and public health advisor. Her federal service includes: USPHS Bureau of Medical Services, U.S. Army, Health Resources and Services Administration-Bureau of Primary Healthcare, and the Indian Health Service. She currently

serves as a pharmacist and technical advisor for U.S. Agency for International Development, Office of Foreign Disaster Assistance. She held an assistant faculty position at the University of New Mexico, College of Pharmacy, and has her own consulting business. Tonrey served as the President of the American Pharmacists Association in 2003-2004. She was the first and only woman on active duty to hold that position. Her public health presidential initiative advanced the agenda for pharmacists to immunize in all 50 states, which today is a reality. In 2019, she completed a five-year term on the Arizona Pharmacy Association Board of Trustees and served on their executive committee as its treasurer. Tonrey is the recipient of numerous national and government awards most notably: American Health Council, Best in Medicine (2019); Arizona Pharmacy Association, Hall of Fame

(2019); APhA Foundation, Pinnacle Award for Individual Career Achievement (2018); Pharmacy Times Next-Generation, Pharmacist of the Year, and Lifetime Leader Awards (2018); US Public Health Service Pharmacist Leadership and Clinical Pharmacist of the Year Awards; several Commissioned Corps awards and other awards in response to terrorist and domestic disasters. Tonrey holds a Bachelor's degree in Pharmacy from Rutgers University and a Master of Health Administration from Chapman University. She is a Fellow of the University of Pennsylvania Leonard Davis Institute of Health Economics, and a Fellow of the American Pharmacists Association.
